

# FIRST CHRISTIAN CHURCH

## DISCIPLES OF CHRIST

FARMVILLE, NC | EST. 1854

March 25, 2020

Dear Church Family

These are certainly strange times that we are living through with social distancing and quarantines keeping us apart at a time we would like to be together in support of one another. Based on the social distancing recommendations of our local, state and national health officials, our church leadership at First Christian Church, Farmville has closed all activities through April 8, 2020. Of course, this includes worship services for four Sundays. Now is the time we need to be creative and supportive to keep our church family together and healthy. First, let us not forget to pray. Second, let us do what we can to stay connected. Our Senior Minister and Minister of Music have been very innovative in providing online worship experiences, and we encourage all those that have the capability, to participate by engaging the worship service on our Website. Third, be assured that our church staff, including our Minister and Kim Griffiths, our Church Administrator, will strive to keep the church office open daily, and are available if needed. Finally, please remember that our Church's day to day expenses continue.

During this time of economic upheaval, we all worry about providing for ourselves, but we must also remember our church. There are many ways you can keep your pledges/donations up to date during this time. You can, of course mail your check, you can have your bank send a check, or you can use PayPal. (This is a new feature for us, and the PayPal donation button is located on our church Website – [www.fccfarmville.org](http://www.fccfarmville.org)). If you have any questions about the logistics of making your regular offering to church, please call Kim at the church office (252-753-3179).

On behalf of our Stewardship Committee, we would like to remind all of us to be vigilant in our giving and remember that the Lord will take care of us. Pray that we all remain healthy and our families, church and community survive intact. We look forward to the next time we can be together in our house of worship to praise God.

In Christ's Love,

Marah Walker, Treasurer  
Bert Smith, Chair, Stewardship Committee
